

TERMS AND CONDITIONS

These Terms and Conditions (this "Agreement") apply to any services you receive from Stage 2 Networks or its representatives, affiliates, subsidiaries, successors, or assignees ("Stage 2 Networks"); are pursuant to your Stage 2 Networks Service Agreement(s); apply to each Service (whether offered on a stand-alone basis or in an integrated package); and shall take precedence in any conflict with your Service Agreement(s).

1. Payment Policy. You agree to pay all Service fees, incidental charges (including but not limited to charges associated with Installation, expedites, moves, adds, changes, deletions and cancellations), federal, state and local taxes, surcharges, and other charges incurred on or through your account, including charges specified on the Service Agreement and any equipment purchases made through your account. Billing for each Service provided by Stage 2 Networks shall commence upon the completion of Installation of such Service, which shall be defined as the date on which Stage 2 Networks tests and turns up such Service and notifies you that Service is available for use. Stage 2 Networks is not responsible for any delays that impede your ability to use the Installed Service, including but not limited to delays requested by you or caused by a third party or delays incurred as a result of problems connecting the Installed Service to your LAN, PBX, or other customer premises equipment ("CPE") by you or a third party. Furthermore, Stage 2 Networks may charge additional fees for changes made by you to orders after the Service Agreement is signed by you.

All Monthly Recurring Charges (as specified on the applicable Service Agreement) are due and payable in advance on the last day of the month immediately preceding the month for which the Services are to be provided, and the upfront payment (specified as Non-Recurring Charges on the applicable Service Agreement) is due and payable in full on the date Customer executes the applicable Service Agreement. In the event a Service order is cancelled prior to the date of Installation or after, the pre-paid Monthly Recurring Charge and the Non-Recurring Charge are not refundable.

Initial charges from Stage 2 Networks for Services with recurring monthly fees will include any start-up or Installation fees and shall be invoiced at the beginning of the first full month after this Agreement and the accompanying Service Agreement are signed. All payments hereunder to Stage 2 Networks shall be due upon your receipt of Stage 2 Networks' invoice. For your convenience, payment options include check, money order, or credit card (Visa, MasterCard, or American Express). Interest charges will be added to any past due amounts at the lower of 1.5% per month or the maximum rate allowed by law, prorated for each day past 30 days that payment is due.

Should you fail to keep your account balance current, Stage 2 Networks has the right to suspend your Service upon ten (10) days written notice (except as specified otherwise by FCC or state regulations, where applicable) and continue billing until sufficient payment has been received by Stage 2 Networks to bring current your account balance. If the Service is suspended due to your non-payment, it will not be restored until all charges (including any interest charges) and a minimum \$100 per-Service Restoration Fee are paid in full. Should you fail to bring current your account balance within 10 days following suspension, Stage 2 Networks has the right to completely disconnect Service, reclaim all Stage 2 Networks-owned phone numbers, IP addresses, and hardware, and charge all applicable Early Termination fees specified in this Agreement or the Service Agreements. If Service is disconnected but can be restored, Stage 2 Networks will only do so at your request and after all charges (including any interest charges) and a minimum \$500 per-Service Restoration Fee are paid in full.

Stage 2 Networks may use any reasonable collection methods (including but not limited to sending your account to a third party collections agency and/or submitting your company to a credit rating agency for notation on your credit profile) to obtain payment for outstanding balances. You agree to reimburse Stage 2 Networks for its costs (including but not limited to reasonable attorneys' fees and/or collections agency fees associated with collecting delinquent or dishonored payments) and for additional fees assessed by Stage 2 Networks for any check returned for insufficient funds. Stage 2 Networks also reserves the right to pass-through any costs associated with additional services provided outside the scope of, but pertaining directly to, the Service agreement including, but not limited to, labor time & materials, extended wiring, and early termination fees on local loops with underlying providers. There is a one-time \$10 fee associated to all DID (direct inward dial) number activations including LNP (local number portability) requests and a monthly recurring \$1 fee associated to all DID (direct inward dial) number services.

2. Credit Inquiries/Deposits. You authorize Stage 2 Networks to inquire into your credit history, including asking consumer reporting agencies or any other references for your credit information, and Stage 2 Networks reserves the right, at its sole discretion, to at any time, based on your credit worthiness, refuse you Service or require a non-interest bearing security deposit which may not be refundable per Article 1 above.

3. Billing Disputes. Notification from you of any dispute regarding your bill must be submitted to Stage 2 Networks' National Customer Care Center or Billing Department within 45 days of the invoice date and have a corresponding open trouble ticket (please retain trouble ticket number for verification), or you will be deemed to have waived any objection to such payment. Once such disputes are identified, Stage 2 Networks will research such disputes in a reasonable amount of time and will not hold you liable to the charges until Stage 2 Networks has reached a conclusion on the validity of the claims. However, regardless of any billing disputes, all non-disputed balances must be paid in full and in accordance with the Payment Policy.

4. Refund Policy. Any refunds issued by Stage 2 Networks to Customer will be issued as service credits.

5. Privacy. Stage 2 Networks does not rent, sell, or share personal information about you with other people or nonaffiliated companies. Customer agrees with Stage 2 Networks' full Privacy Policy as posted at www.stage2networks.com.

6. Access to Customer Premises and Equipment. With respect to any Installation, maintenance, or repair provided by Stage 2 Networks in connection with the Service, you agree to provide Stage 2 Networks with all necessary access to your premises, internal wiring, CPE, and other facilities and equipment and to allow Stage 2 Networks to perform such Installation, maintenance and repair.

7. Term and Termination. For ongoing Services, the term specified on the applicable Service Agreement shall commence on the date of Installation. Any add-on services or MACs (moves, add, changes) to the original Service Order will be coterminous with the original term specified on the applicable Service Agreement. Notwithstanding the foregoing, this Agreement shall become effective on the date it is accepted by Stage 2 Networks and shall remain in effect for successive one-month periods until the end of the Term set forth in the Service Agreement for each of the Services. Where a term length shorter than one (1) month or no mutually executed Agreement exists, the Customer will remain on a month-to-month term length with no contractual obligations for sixty (60) days. At the conclusion of this sixty (60) day month-to-month period, Customer's term length will automatically be set to one (1) year. Where a term longer than one month has been specified, and except as set forth in the Service Agreement or Schedules here to, the initial Term will automatically renew for successive one (1) year periods, unless you notify Stage 2 Networks of your desire not to renew at least ninety (90) days prior to the expiration of the then-current Term. In the event of any disconnection by us for non-payment by you or if you terminate early, except in response to a material breach of this Agreement by Stage 2 Networks (before which Stage 2 Networks shall be given written notice and 30 days to cure), you will be obligated to pay the Early Termination Fee, which shall be calculated as the sum of (a) the number of months remaining in the then current term of the Service Agreement multiplied by the agreed-upon monthly recurring fees for fixed recurring charges, and (b) the number of months remaining in the then current term of the Service Agreement multiplied by the average monthly usage charges over the two most recent 30-day billing periods or minimum revenue commitment associated with the Service, whichever is greater, for usage-based charges. Any termination of Service or of this Agreement will result in all IP addresses and phone numbers assigned to you by Stage 2 Networks reverting back to Stage 2 Networks. In addition, all Stage 2 Networks property (including but not limited to Stage 2 Networks equipment, facilities, and software) shall be returned to Stage 2 Networks. Stage 2 Networks reserves the right to terminate this Agreement (or restrict or suspend Service) in the event you violate this Agreement. During the term of this Agreement, Stage 2 Networks reserves the right to modify its pricing as set forth in the Service Agreement or elsewhere upon 30 days written notice. Any requests to disconnect a service must be sent to Stage 2 Networks pursuant to Section 17 following with 30 days written notice. Billing for said disconnected service shall bill for 30 days from the date written notice is received. There is a one-time \$75 deactivation fee associated to each user/line being deactivated; and same for reactivations.
